## DETAILED ACTION

### *Continued Examination Under 37 CFR 1.114*

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 7/31/2007 has been entered.

### *Information Disclosure Statement*

2. The listing of "*United States Office Action issued for pending U.S. Patent application serial number 11/473,147 dated March 20, 2007*" is not considered to be an information disclosure statement (IDS) complying with 37 CFR 1.98 since the office action of a pending US application is unpublished document and could be amended or be withdrawn in the future. Also, the listing of "*IDS for pending US application serial 11/473,147 filed June 23, 2005*" is improper since during the prosecution, more IDSs could be cited for the mentioned pending application and this can not be determined **now**. Accordingly, these references cited in the "Information Disclosure Statement for US patent 11/473,147" have not been considered and have been crossed out.

Applicant is reminded that the information disclosure statement **must** be complied with 37 CFR 1.98(a)(1), which requires the following: (1) a list of all patents, publications,

Art Unit: 2851

applications, or other information submitted for consideration by the Office; (2) U.S. patents and U.S. patent application publications listed in a section separately from citations of other documents; (3) the application number of the application in which the information disclosure statement is being submitted on each page of the list; (4) a column that provides a blank space next to each document to be considered, for the examiner's initials; and (5) a heading that clearly indicates that the list is an information disclosure statement.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance: This application is under condition for allowance since claims 1, 3-13, 15-21, 23-25, 27-30, 32-37 were allowed (see previous office actions).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hung Henry V. Nguyen whose telephone number is 571-272-2124. The examiner can normally be reached on Monday-Friday (First Friday off).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Diane Lee can be reached on 571-272-2399. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
